

Personal Budget Support Service

A complete support service for Personal Health Budgets, Direct Payments and Continuing Healthcare.

**You Stay in Control.
We Manage the Administration.**

Managing a Personal Health Budget or Direct Payment can be complex and time-consuming. Independent Care Solutions provides a fully managed support service that helps individuals maximise choice and control whilst ensuring budgets, payroll, recruitment, training and compliance are managed effectively

Person-centred Support

Supporting individuals to remain in control of their care and support arrangements.

Reliable Partnership

Working alongside families, commissioners and professionals.

Governance & Compliance

Helping individuals meet employer responsibilities through structured governance, compliance monitoring and ongoing support.

Improved Outcomes & Value

Reducing administration and improving confidence.

A Complete End-to-End Service

We bring together the essential services needed to manage Personal Budgets with confidence:

- Personal Budget Administration
- Payroll Administration
- Personal Assistant Recruitment
- Employer Support
- Training & Compliance Management
- Support Planning & Navigation

Who We Support

Personal Health Budget Holders

Direct Payment Receipts

Continuing Healthcare Recipients

Families and Carers

OUR SERVICES

Personal Budget Administration

We help individuals manage the administration of their Personal Health Budgets and Direct Payments through structured reporting, monitoring and support, whilst they remain in control of their own funds.

Personal Assistant Recruitment

We help individuals recruit the right people with confidence through a safe, compliant recruitment process.

Training & Compliance Management

Mandatory training, digital certificates, training matrices and compliance monitoring – all in one place.

Payroll Administration

We coordinate expert payroll administration through our specialist payroll partner, including PAYE, pensions, HMRC submissions, payslips and year-end reporting, ensuring Personal Assistants are paid accurately and on time.

Employer Support

Practical advice and documentation to help individuals manage their role as an employer.

Support Planning & Navigation

Support planning, budget planning and guidance on Personal Health Budgets, Direct Payments and Continuing Healthcare.

Benefits For Commissioners

- ✓ **Strong Governance & Compliance**
Helping maintain transparency and accountability.
- ✓ **Reduced Administrative Pressure**
Supporting individuals and reducing reliance on internal teams.
- ✓ **Better Visibility of Budget utilisation**
Improved monitoring and reporting.
- ✓ **Assurance Through Quality & Monitoring**
Structured processes and compliance oversight.
- ✓ **Trusted Local Delivery Partner**
Responsive support delivered within local communities.

Why Choose Independent Care Solutions?

- One trusted partner for Personal Budget Support
- Payroll coordination
- Personal Assistant recruitment
- Employer support
- Digital training & compliance management
- Ongoing compliance monitoring and reporting

“ We don't just provide training. We actively manage workforce compliance, training renewals, certification and assurance throughout the year ”
